

Your Moving Day Checklist

Stay calm and organized on the big day

Before Movers Arrive

Prep Your Space

- Clear all walkways and porches
- Remove door mats and rugs
- Disconnect screen door springs
- Take down low-hanging items
- Set aside essentials bag

During the Move

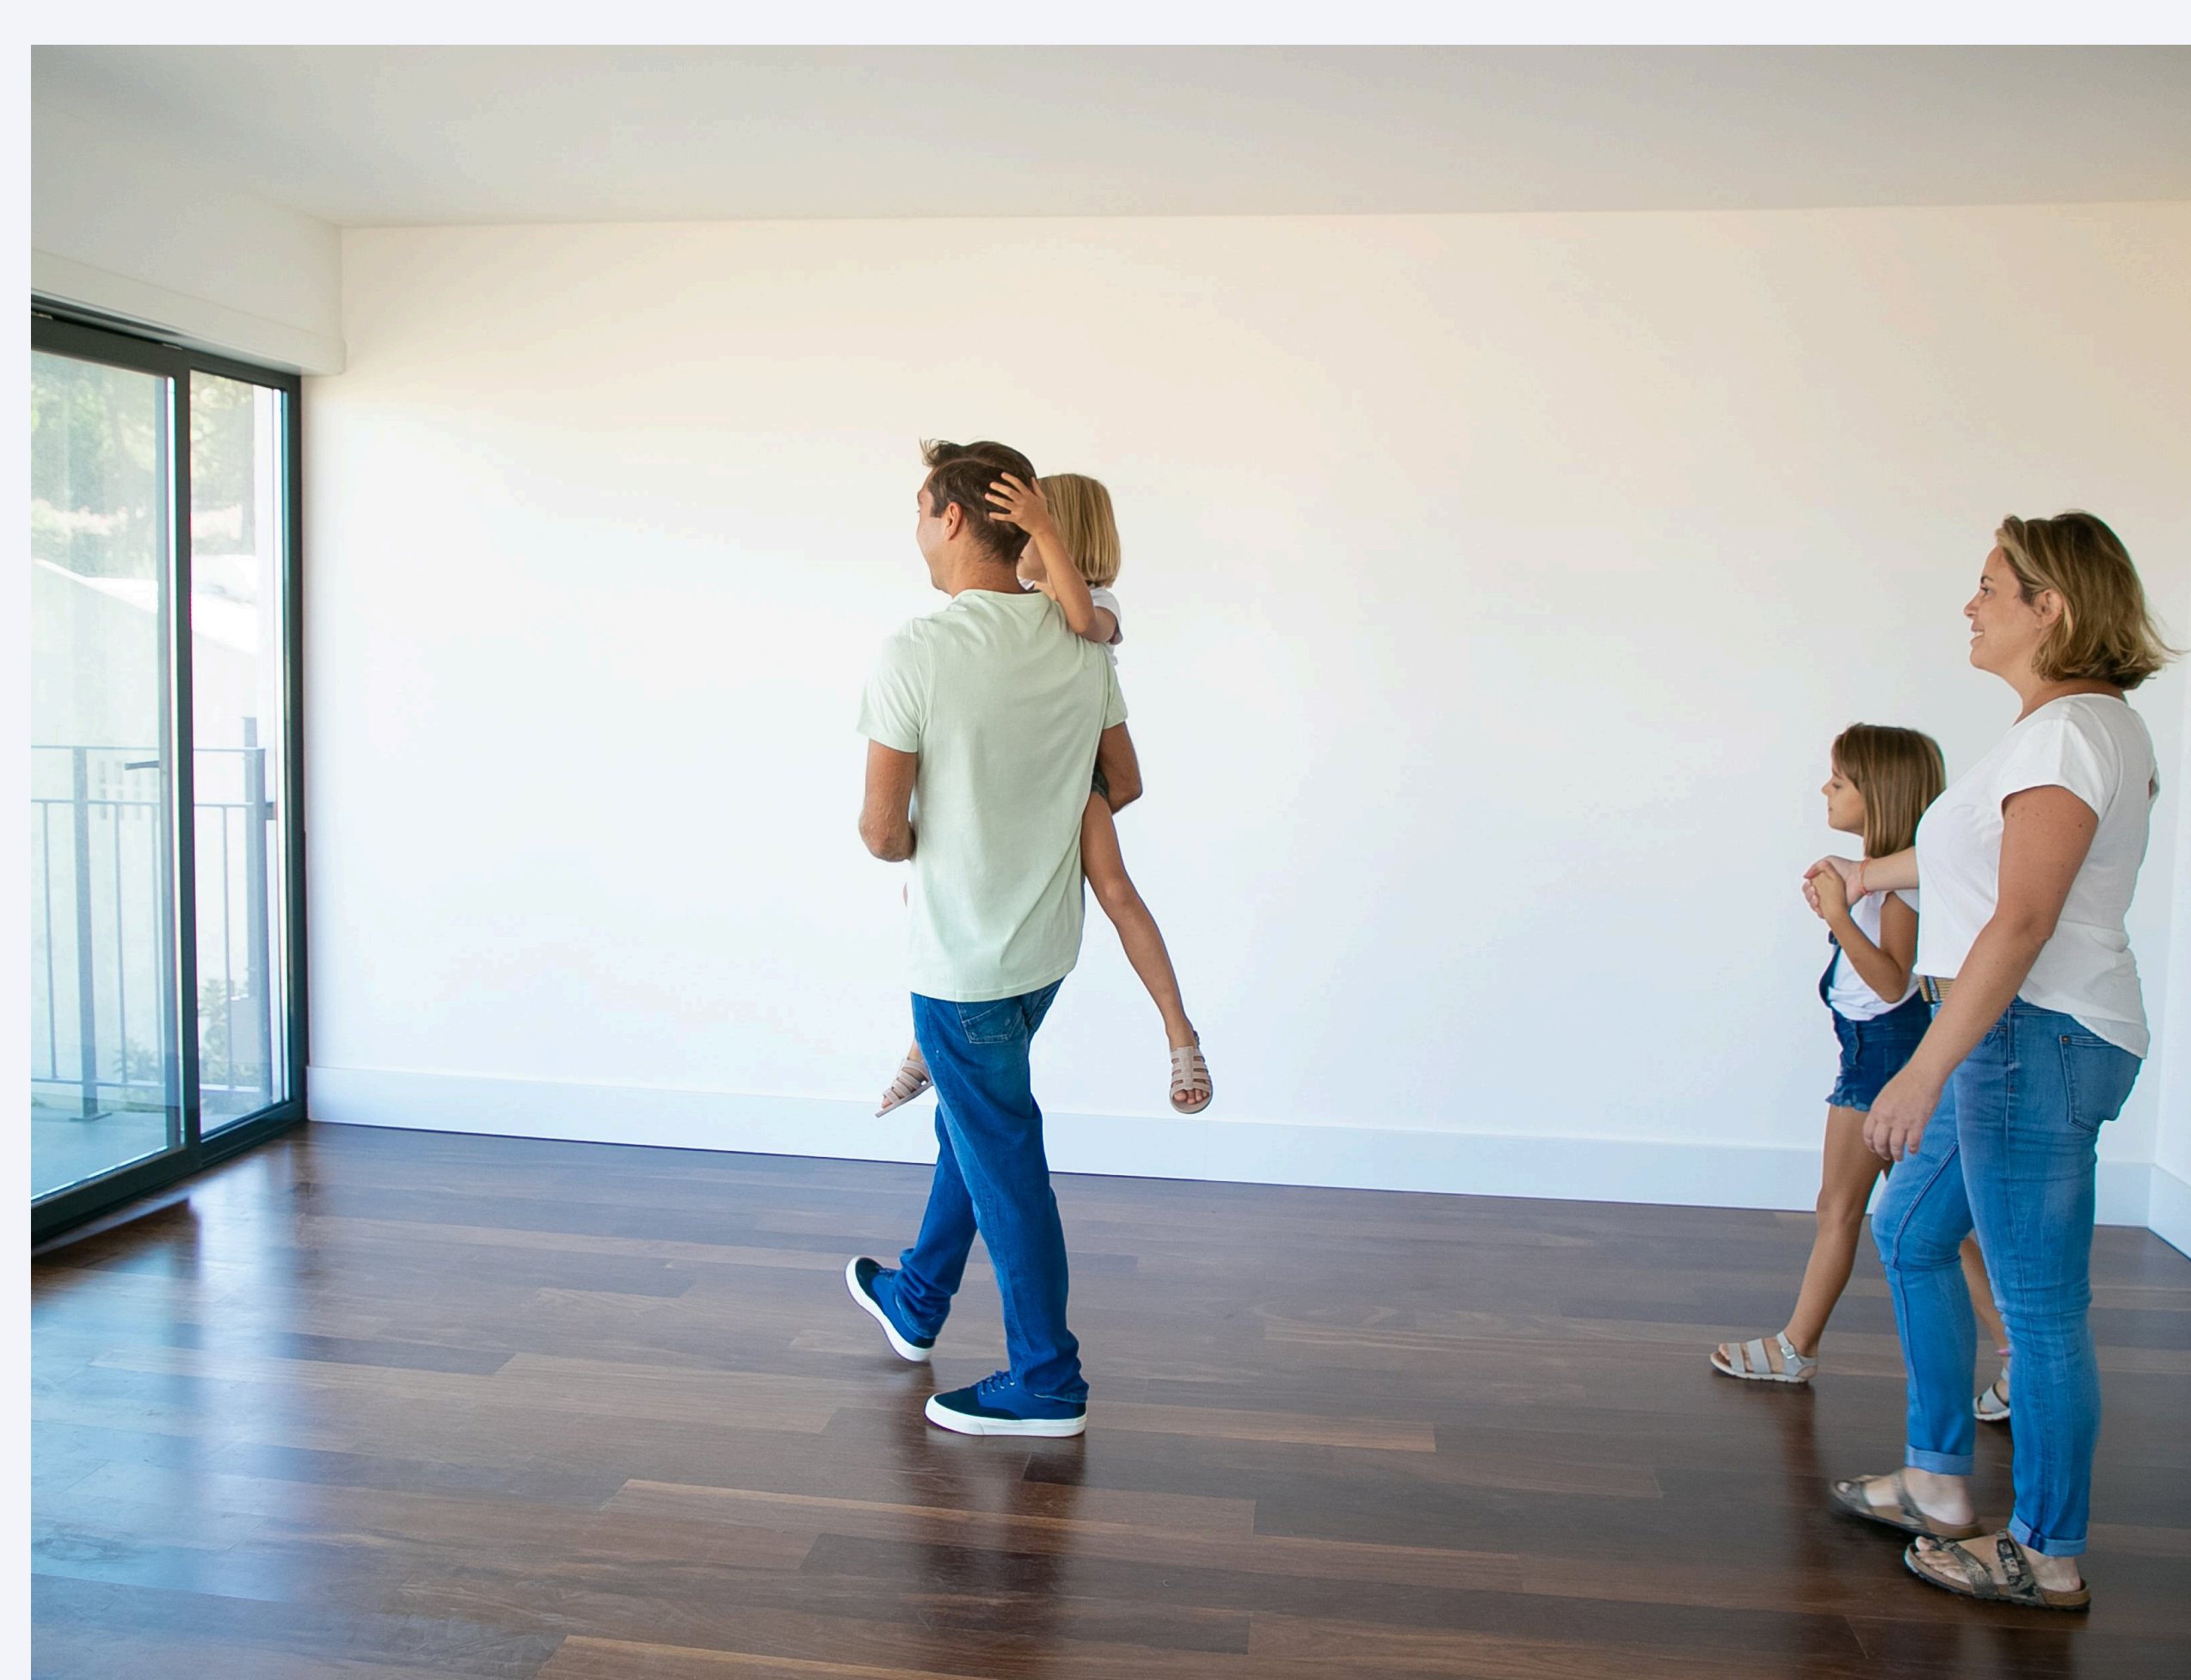

Stay in Control

- Supervise the loading process
- Point out fragile and priority items
- Review and understand all paperwork
- Take photos of valuable items
- Answer mover questions

Quality Checks

Ensure Safe Transport

- Verify box labels before loading
- Confirm heavy items go on bottom
- Double-check fragile item handling
- Create a moving inventory
- Monitor truck loading

Final Walkthrough

Before You Leave

- Check all closets, cabinets, and drawers
- Inspect garage, shed, and backyard
- Look for any property damage
- Exchange contact info with driver
- Lock all doors and windows
